

023-2 HEMPSTALL REV 1 SITE PLAN

Hempnall Parish Council has today received notice from Enertrag that they intend to submit a planning application for 4 wind turbines positioned as per the map above. According to Enertrag's recent statement in the Diss Express, these would be 140m (455ft) high which is 15m (48ft) higher than the previous proposed turbines.

Clerk to Hempnall Parish Council
