

PARISH COUNCIL

Spring 2019 Newsletter

Improvements to Play Area

We are considering how best to improve the play area near the village hall and would like parishioners to have their say and volunteers to join a steering committee.

If you would like to express your views and/or help, please attend the parish council meeting on 18 June at 7:30 and/or contact the clerk.

Hedge cutting remember the birds —

With spring in the air, it's time to start cutting back the winter growth on hedges bordering roads and pavements but remember birds nesting are protected.

If you have such a hedge and no birds are nesting in it, please help keep pavements / verges and roads clear for users thereof, thank you.

Parking on pavements and at junctions

Again, parishioners have expressed concern about residents parking on the pavements and close to junctions. The village is blessed with many elderly people with and without walking aids and young families with push chairs, such parishioners find it difficult and dangerous to walk on the road to get around vehicles parked on the pavement. Motorists also find that vision is obstructed when vehicles are parked too near a junction. We request that you do your bit to ensure that you have parked considerably in order that we can all enjoy safe passage. Thank you.

Stop the plop

Once again please, please, please can dog owners pick up their pet's mess rather than leave it for others to stand in.

Complaints about dog fouling continue to be numerous but we feel that it will not stop until somebody is prosecuted. Report offenders to SNC Dog Warden on Freephone 0808 168 4444 - let's get this stopped.
