

## *Summer/ Autumn Newsletter 2014*

### ***Wind Turbines Planning Inquiry Result***

The Secretary of State, Eric Pickles, has announced that his decision regarding the wind turbine planning application for Hempnall has been delayed. He has not indicated when it will be made.

### ***Village Hall / Playing Field Car park***

We are pleased to report that the village hall committee together with the parish council has arranged for the resurfacing of the car park and driveway. This facility serves both the village hall and the playing field and under a longstanding agreement dating back to the time that the parish council donated the land to the village hall, the costs have been shared between us and the village hall charity. We are grateful for all the hard work put into this project by the village hall team.

### ***Play area***

Despite regular maintenance, over the years the play equipment on the Bungay Road Playing Field is in need of attention. This is partly due to wear and tear caused by so many people enjoying the use of these facilities and partly due to its age. We are currently developing a strategy to raise funds to improve the equipment. Certain repair work is also urgently needed and is underway. As a temporary measure, for health and safety reasons, we have fenced off certain of the equipment until repairs can take place. We ask for your patience during this time and we hope to bring the equipment back into full use as soon as possible.

## *Parking on pavements and at junctions*

Again, parishioners have expressed concern about residents parking on the pavements and close to junctions. The village is blessed with many elderly people with and without walk aids and young families with push chairs, such parishioners find it difficult and dangerous to walk on the road to get around vehicles parked on the pavement. Motorists also find that vision is obstructed when vehicles are parked too near a junction. We request that you do your bit to ensure that you have parked considerately in order that we can all enjoy safe passage. Thank you.

<b>Councillor</b>	<b>Telephone No.</b>
Geoffrey Moulton – Chairman	01508 482467
David Hook – Vice Chairman	01508 498187
Liz Allen	01508 499357
