Footpath maintenance

Norfolk County Council Highways Dept are responsible for cutting and maintaining our footpaths. If you wish to report overgrown areas, please contact them via the “Highways problem report form” which can be found

here: <https://apps.norfolk.gov.uk/HighwaysDefect/>

Community Spirit- Hic!

The parish council supports the Mill Bar which is a joint enterprise by The Hempnall Trust and local volunteers to provide a convivial meeting place for local people in the village. The bar provides quality wines, cask and bottled beers and other drinks in a unique setting, the tower of the Mill. All the profits from the bar will be reverted to the Trust to further enable its function of providing support for local people in need.

Come along – Opening hours Friday and Saturday 6pm till 11pm

Community area

Parking is sometimes difficult, but please respect the area in front of the village sign, community and parish council notice boards by not parking in this area. It has not been designed or built for vehicles. Thank you.

Swan Meadow footpath improvements

The parish council is pleased to announce it will be levelling the well-used and popular footpath between The Street and Mill Road. A good grass surface will be planted and drainage needs accommodated. This should make the footpath more pleasant to use all year round. Please bear with us as work is undertaken and rest assured the footpath will

remain open during the improvement works.
