- R - Park Bench

A preferred design to improve the children's play area has now been agreed by the parish council with its working group. The parish council will fund 50% of the cost and be responsible for maintenance. We are seeking external funding for the remaining 50% capital cost.

There are areas for all young people groups to enjoy as well as adults with improved seating and safety features.

More details will follow as progress is made.

Donation for CCTV Cameras

The parish council has made a donation towards the provision of CCTV covering the village hall car park and surrounding area in an attempt to help prevent any unsocial behaviour and make the area more pleasant for all users of the play area.

Historic footpaths

There are over
49,000 miles
of lost paths
across
England
and Wales

The government has set a deadline of 1 January 2026 for all historic paths to be registered for inclusion on official maps. Now the race is on to get these lost paths registered before time runs out. If you are aware of any old footpaths in and around Hempnall which are not currently signposted or marked on the map, please contact the Clerk with details asap as the registration process can take a long time, so 2026 is not that far away.

Speedwatch team resumes action in village – More team members needed

Join the successful community Speedwatch team, sparing just an hour a month could save a life in our village. Be part of it or even lead it, we are seeking a co-ordinator for the team too. Please contact the Clerk if you are interested.
