

HEMPNALL PARISH COUNCIL

Action Plan

2026/27

Hempnall Parish Council – Action Plan 2026/27

1. Introduction

Parishes are the smallest areas of civil administration in England and provide the statutory tier of local government closest to the people. Parish Councils are an essential part of the structure of local democracy and have a vital role in acting on behalf of the communities they represent.

Parish Councils have a wide range of powers which essentially relate to local matters. They also have the power to raise money through taxation, the precept, which is the parish council's share of the council tax.

Councillors have considered the aims of the council for the year ahead and produced a summarised Action Plan which details the key objectives it hopes to achieve during the year, in addition to our overall statutory responsibilities. This is a working document and subject to change to meet developing circumstances.

Hempnall Parish Council – Action Plan 2026/27

Specific projects for the year 2026/27

1. Promote the development of Affordable Housing, particularly on the Millfields site
2. Monitor road traffic accidents in Hempnall and, with NCC Highways, implement as appropriate measures to reduce the risk
3. Introduce and maintain measures to reduce speeding traffic in the village
4. Obtain recognition of Nobb's Lane spur as a footpath
5. Represent parishioners regarding the proposed East Pye Solar development
6. Continue to provide dog bins and encourage parishioners to report owners who do not clear up their pet's mess
7. Take action to ensure the footpaths are maintained to a suitable level by providing extra cuts in addition to NCC cuts
8. Press Norfolk County Council for responses to improvement enquiries re:
 - Road repairs
 - Alburgh Rd / B1527 road resurfacing
 - Traffic calming
 - New extra shelter at Broaden Lane
9. Follow up various planning enforcement issues
10. Purchase and use a third SAM2 unit
11. To oppose the East Pye Solar Application.
12. To keep a log of inconsistencies and inadequacies in the East Pye NSIP application process
13. To keep a careful eye on the GNLP review so we know which sites in the village have been put forward by landowners for housing development and to challenge the revision.
